About this Report

This is the Sustainability Report of FamilyMart Co.,Ltd.

In this publication, we report on the entire range of sustainability initiatives that FamilyMart pursues to ensure we continue growing sustainably with society. Before issuing this report, we ask the head of our Sustainability Committee, an advisory body to our Representative Director and President, to review it.

Readers should note that the subject of our reporting is different than in earlier years. This is because in September 2019, we effected organizational changes to an operating company that runs convenience store business as our sole business.
