### About this Report

This is the Sustainability Report of FamilyMart Co., Ltd.

In this publication, we report on the entire range of sustainability initiatives that FamilyMart pursues to ensure we continue growing sustainably with society. Before issuing this report, we ask the head of our Society & Environment Committee, an advisory body to our Representative Director and President, to review it.

Readers should note that the subject of our reporting is different than in earlier years. This is because in September 2019, we effected organizational changes to an operating company that runs convenience store business as our sole business.

### Overview of the Report

#### Reporting Period

March 2018 - February 2019 (with some information about recent activities after this period)

#### Scope

- Financial data: FamilyMart Group (17 companies in Japan, 29 outside Japan)
- Environmental and social data: FamilyMart Co., Ltd. (Group companies included in places)

#### Reference Guidelines

- GRI Sustainability Reporting Standard, Global Reporting Initiative (GRI)  
\* This report was prepared in accordance with the GRI Standards Core option.
- Environmental Reporting Guidelines (2018), Ministry of the Environment
- ISO 26000:2010 Guidance on social responsibility, Japan Standards Association

#### Publication

January 2020 (previous publication February 2019, next scheduled publication November 2020)
